## Career objective

As a recent BCA graduate, I am eager to begin my career in the technology industry and utilize the skills and A knowledge I have gained throughout my studies. I am seeking a challenging and dynamic role where I can contribute to the development of innovative solutions and continuously learn and grow as a professional. I am particularly interested in opportunities that involve programming, web development, or other areas of technology where I can apply my technical expertise and creativity to solve complex problems and improve user experiences.
